EDITION

We have selected a range from our wide collection, that meets the requirements for a contemporary care workspace.

Enjoy and get inspired...

# TAKE GOOD CARE OF **YOURSELF AND OTHERS**

The best service comes from those who take care of themselves as well. Furthermore, personal service is more powerful than a generalised service.

With height adjustable solutions your work becomes much more flexible to fit both you and your clients individual requirements and health.

## STEELFORCE

### PRO 370 SINGLE COLUMN

Our smaller desk solutions can help optimise spaces and provide interesting design solutions.

The height adjustable option elevates the experience and the personal comfort increases the level of satisfaction.

## INTEGRATED TECHNOLOGY

Provide the desk user with easy power access and increase their possibilities for being entertained or productive while they use and recharge their digital devices.

Elements – our award winning desk with integrated technology and world class cable management.

The first desk with a Cabletop®, a unique top with integrated USB & Power outlet, hand switch and cable management.

## ERGONOMIC SOLUTIONS IN EVERY ROOM

Ergonomic tables are not just for working, it's for living. Our posture both under and after work effects our life quality. The Skagerrak table offers a functional but also stylish solution with its unique leg design.

*Height adjustability helps you work in the position that feels right for you or your team and for your specific task at hand. Sit sometimes. Stand sometimes.  
Work comes in many ways and can look different any given hour, any given day.*
