EDITION

We have selected a range from our wide collection, that meets the requirements for a contemporary industrial workspace.

Enjoy and get inspired...

CRAFTS

AND ERGONOMICS

Like many people around the world, we got a love for crafts and arts. Crafting encompasses everything from complex things to simpler crafts.

We want to give all craft makers, the best working conditions. We have created a range of tables that supports ergonomics and the need for easy-access storage, which ensures that you always have the best possible working position.

 **CRAFTMAKERS**
Collection

THE ACTIFORCE WELDING TABLE

Is made of through-hardened S355MC + plasma nitration quality steel and improved reinforcement by additional ribbing meets the requirement for the professional welding work of today.

Top surface structure in longitudinal grid 100x100 mm and high side panels with a system hole pattern of 50 x 100 mm grid made with Ø28 mounting holes bring more clamping options to ensure the agility and great support that you need for precise welding. This height adjustable welding table set the new high standard for best positioning welding and ergonomic support, that the modern welders are requesting.

STEELFORCE

PRO 570 SLS WELDING

Product details

Height (mm)	min. 830 / max. 1160
Width x Depth (mm)	1200 x 800
Dynamic Capacity (kg)	200

Colour options:

60 x 90
